

Priscilla Flower Tutorial

Priscilla Flower tutorial: <https://www.youtube.com/watch?v=diKqBpUVL6I>

Many of the videos have petal measurements in the descriptions for those of you using a cutting machine. If you cannot find the measurements you can view the layout guide in the PDF 'Tips for cutting machines.' included in these files. If the petals load too large in your software, know that the overall goal is to simply shrink them to be within 8.5 x 11 margins to achieve the size flowers I make.
